NEWSLETTER JUNE 2010

Dear Members,

Our season is almost at an end and, as the AGM nears, we are looking for new committee members. Areas of responsibility may include; reading and suggesting plays that would be suitable for Manifest audiences and cast, liaising with other local amateur groups, suggesting and arranging social outings, helping to make decisions and run the group and theatre. The committee works hard and has the best interests of the group at heart; we also have a lot of fun! Anyone interested, this could be either the person volunteering or the nominee with the consent of the volunteer, should contact any member of the committee, and these names will be passed to the secretary to be presented at the AGM. As you can see we have lots to keep you busy and entertained over the summer so see you at the theatre!
